

SPS Honors Program

The Honors Program at Spartanburg Preparatory School is an integral part of our effort to ensure that all of our students re consistently challenged and prepared for successful integration into a high school setting.

To be eligible for Honors courses, SPS students must meet specific criteria. That criteria is listed below by grade level.

Grade	Requirements	Expectations
6th	<ol style="list-style-type: none"> 1. MAP Math score in the 80th percentile or above 2. Core grades of 90 or higher 3. Teacher Recommendation 	<ul style="list-style-type: none"> ● Mandatory school services, which could include car duty, hall monitoring, being a teacher helper, etc. ● A very highly demonstrated work ethic ● No behavior problems of a serious nature ● Challenging class requirements, to include more homework ● Maintain a 90% average in Honors classes ● Honors students will be reevaluated at each nine week interval for continuum ● Failure to meet Honors standards may result in returning to a regular education class
7th	<ol style="list-style-type: none"> 4. MAP Math score in the 90th percentile or above 5. Core grades of 90 or higher 6. Teacher Recommendation 	<ul style="list-style-type: none"> ● Mandatory school services, which could include car duty, hall monitoring, being a teacher helper, etc. ● A very highly demonstrated work ethic ● No behavior problems of a serious nature ● Challenging class requirements, to include more homework ● Maintain a 90% average in Honors classes ● Honors students will be reevaluated at each nine week interval for continuum ● Failure to meet Honors standards may result in returning to a regular education class
8th	<ol style="list-style-type: none"> 7. MAP Math score in the 90th percentile or above 8. Core grades of 90 or higher 9. Teacher Recommendation 	<ul style="list-style-type: none"> ● Mandatory school services, which could include car duty, hall monitoring, being a teacher helper, etc. ● A very highly demonstrated work ethic ● No behavior problems of a serious nature ● Challenging class requirements, to include more homework ● Maintain a 90% average in Honors classes ● Honors students will be reevaluated at each nine week interval for continuum ● Failure to meet Honors standards may result in returning to a regular education class ● For some 8th graders, students may have to take both the high school credit math test and an end of 8th grade test
